McAuliff Receives Certificate of Appreciation from NH Dept of Health

On September 1, the NH Division of Public Health Services held a conference in Concord to discuss an ongoing effort to consolidate and improve the State's public health system. The *NH Public Health Improvement Action Plan Progress Report* was released, outlining details of the recent Community Assessments that were conducted by each Public Health Region. During the event, Jessica McAuliff, Regional Public Health Network Coordinator, was awarded a Certificate of Appreciation for her work with the State's Public Health Regionalization initiative, from Dr. Jose Montero, Director of the NH Division of Public Health Services, 'in recognition of outstanding leadership and commitment' to the process of coordinating public health system assessments.

The Greater Sullivan County Public Health Network (PHN) is a collaborative of municipalities and health and human service agencies in Sullivan and parts of Merrimack County. Under Sullivan County as Fiscal Agent, the PHN serves just over 30,000 people in the 15 rural towns of Acworth, Charlestown, Claremont, Croydon, Goshen, Langdon, Lempster, New London, Newbury, Newport, Springfield, Sunapee, Sutton, Unity, and Wilmot.
